New Non-Stick Bakeware from Pyrex

A new range of non-stick bakeware is now available from Pyrex, with practical design features to provide genuine added value for consumers who know and trust the glass ovenware range.

The new range comprises fourteen products in all to match every baking and roasting requirement, including cake, loaf and quiche tins, a pizza pan, bun sheets, oven trays and roasters.

All the Pyrex bakeware products have a non-stick coating inside and out, plus Easy Grip® handles with non-slip raised dots just like the glass ovenware. Prices start from as little as £3.99 RRP and come with a 5-year guarantee.

Also new on the shelves for the winter season are a collection of three special edition sets on the theme of traditional Great British cooking, priced from £9.99 RRP. As the names suggest, The Sunday Roast Set, Traditional Puddings Set and Midweek Supper Set consist of essential Pyrex Glass Cookware and Non-stick Bakeware to create familiar favourites, from the Sunday roast with all the trimmings to a Shepherd's pie and apple crumble.
